

# Faulconbridge Public School

## School Song

### Chorus

We are the children  
Looking to the future.  
We are the children  
Learning to live.  
Life will be a great adventure  
For the children of Faulconbridge.

At our school among the gum trees  
Is where we love to be.  
To work and play together  
And live in harmony.  
We do our best for our teachers,  
Our friends and family.  
The Public School at Faulconbridge  
Is the place for you and me.

When our school days are over  
And around the world we roam.  
We'll think back on Faulconbridge,  
The place that we call home.  
Travelling along life's highway,  
No challenge will we fear.  
Safe and happy school days  
Are the memories we hold dear.
