

MATHS OVERVIEW - E. STAGE 1 (TERM 2)

Week	Concept	Key Idea
1	Whole Number	<ul style="list-style-type: none"> Count forwards to 30 from a given number. Count backwards from a given number in the range 0 to 20. Use the term 'is the same as' to express equality of groups.
	Position	<ul style="list-style-type: none"> Give and follow simple directions.
2	Fractions and Decimals	<ul style="list-style-type: none"> Establish the concept of one-half. Record halves of objects using drawings.
	Volume and Capacity	<ul style="list-style-type: none"> Identify the attribute of 'capacity' as a measure of the amount of substance a container can hold.
3	Patterns and Algebra	<ul style="list-style-type: none"> Recognise, copy, continue, create and describe repeating patterns of objects and drawings.
	Mass	<ul style="list-style-type: none"> Identify the attribute of 'mass' as a measure of the amount of matter in an object. Describe mass using everyday language, including comparatives.
4	Addition and Subtraction	<ul style="list-style-type: none"> Take part of a group away to model subtraction.
	Time	<ul style="list-style-type: none"> Sequence events in time.
5	REVISION / CATCH UP / ASSESSMENT	
6	Addition and Subtraction	<ul style="list-style-type: none"> Take part of a group away to model subtraction. Compare two groups to determine 'how many more'.
	Data	<ul style="list-style-type: none"> Collect information about themselves and their environment. Organise actual objects into data displays. Interpret data displays made from objects.
7	Multiplication and Division	<ul style="list-style-type: none"> Investigate and model equal groups. Record grouping and sharing using informal methods.
	Length	<ul style="list-style-type: none"> Describe length and distance using everyday language including comparatives. Compare lengths using direct comparison.
8	Multiplication and Division	<ul style="list-style-type: none"> Investigate and model equal groups. Record grouping and sharing using informal methods.
	Two-Dimensional Space	<ul style="list-style-type: none"> Sort, manipulate, make and draw circles, squares, triangles and rectangles.
9	Volume and Capacity	<ul style="list-style-type: none"> Identify the attribute of 'volume' as a measure of the amount of space an object occupies.
	Area	<ul style="list-style-type: none"> Identify the attribute of 'area' as a measure of the amount of surface. Describe area using everyday language, including comparatives.
10	REVISION / CATCH UP / ASSESSMENT
