Principal's Report

Dear Parents and Caregivers,

Celebration of Student Achievement

What a wonderful day we had yesterday at our Celebration of Student Achievement.

It was a time to recognise the accomplishments of students across the school and to acknowledge the active participation of our Year 6 students over the last seven years in the life of the school.

A big thank you to Mr Earl, Mr Thomson and the organising committee for planning and delivering such a well organised event.

It was a moment to shine for our Concert Band, Stage Band, Wind Orchestra, Drumming group, Junior Choir and Senior Choir, who all performed with gusto.

Thank you to all the parents, grandparents and community members who came along to support our students.

But most of all thank you to the students. It was a long ceremony, and it was quite warm in the hall. The boys and girls were very well behaved and demonstrated respect for the award winners and the speakers at the microphone,

It was my first opportunity to address the whole school community – students, staff, parents and community members. I wanted to share my pride in the achievements of our school and the inclusive nature of our school community. I also wanted to share what drives my leadership of the school. For me there are two guiding principles – that every student is known, valued and cared for, and that every student, every teacher and every leader will improve every year. I am looking forward to us all working together to gain even greater achievements for our students.

Year 6 Farewell

Last Thursday night Year 6 students and staff gathered at the Springwood Sports Club for the Year 6 Farewell. It was a jovial night and I have been impressed by this grade of students, their willingness to engage in conversations, and get involved. As you leave primary school, think of this as an exciting opportunity to grow, develop, find your passion, achieve your dreams and never stop learning.

As a mum of a Year 6 student, I wish for you the same that I wish for my own daughter – to be successful, confident, creative individuals who participate in their community with passion.

2018 Planning

Our preliminary planning for 2018 is underway. We will have composite classes in all stages and across stages also. At this stage, the staffing of classes is:

Early Stage One: Mrs Carter/Mrs Lundqvist-Hayes, Miss Kidd, Miss Waddell;

Stage One: Mrs Harrison, Miss Waddell, Mr Brandjes, Mr Douglas, Mr Smith;

Stage Two: Mrs Jansons, Mr Smith, Mrs Zordoumis/Mrs Rooney, Ms Paull;

Stage Three: Mr McDonald, Miss Theoharis, Mr Thomson (Mr Cleary), Ms Paull.

Learning Support: Mrs Bridges and Mrs Cottam

Kitchen Garden: Mrs Langworthy

Principal's Report Continued...

Awards

Students are given 'Cub Awards' to provide them with immediate recognition of positive behaviours. The following students are to be congratulated for showing Safe, Respectful and/or Positive Learning behaviours throughout our school:

| | | | | | | |
|----------------|---------------|------------------|------------------|--------------------|-------------------|-----------------|
| Week 9 | Liam M (5/6T) | Oliver N (3/4BC) | Chloe W (1/2S) | Annabelle B (1/2S) | Matilda M (1/2H) | Grace M (5/6ZD) |
| Week 10 | Izzy S (KW) | Lilah A (KCL) | Jarrold R (1/2S) | Ella H (3/4M) | Scarlett H (4/5T) | Caden T (3/4M) |

And finally...

I wish you all a happy and peaceful Christmas, New Year and holiday.

Mrs Carol Frith
Principal.

Cancer Council NSW

The simplest way

...to be SunSmart in summer!

Did you know?
Temperature doesn't determine when you need sun protection. It is UV radiation, which is not affected by temperature, that damages skin cells and causes cancer. To reduce your family's risk of skin cancer, **use sun protection whenever UV levels are 3 or above.**

How do I know when the UV is 3 or above?
Download the free SunSmart App and set it up for your location!

Most parts of NSW experience high levels of UV radiation, especially from October to March. Check the UV every day using the app, or set up the auto-alert, to find out when you need to use sun protection.

Got any questions? Contact the friendly SunSmart Team on (02) 9334 1761.

For more information visit www.eatittobeatit.com.au or join us at [facebook.com/eatittobeatit](https://www.facebook.com/eatittobeatit)

The Eat It To Beat It program is supported by the Nepean Blue Mountains Local Health District Live Life Well @ School Program.

Holiday Safety

As we approach the summer holiday season, it is timely to remember to be safe around waterways and pools. I have included a message from the Sydney Childrens' Hospital regarding water safety in this newsletter.

Road safety over the holiday season is important also, especially if new bicycles, scooters or skateboards are given as present. Always wear a helmet when riding a bicycle, and if riding on the footpath be aware of driveways and cars reversing.

I hope that we all have a safe holiday season and return to school in 2018, happy and healthy.

Kids can drown without a sound!

Kids Can Drown Without a Sound!

Drowning is a leading cause of death for children under the age of five years. In NSW an average of 13 drowning deaths and 84 non-fatal drowning incidents occurred in children aged 0-17 years in the period 2002 to 2015. Non-fatal incidents can cause permanent damage to the child's brain, heart and lungs. Most parents think they will be able to hear if their child is drowning, but in fact it is very silent and quick.

The 'Kids Can Drown Without a Sound' campaign from Kids Health at The Sydney Children's Hospitals Network 'aims to raise water safety awareness and encourage families to take appropriate precautions when children are in or near water.

To help prevent child drowning:

1. Have a compliant pool barrier that is used correctly and maintained regularly
2. Adult supervision of children (within arm's reach) in and around water is essential
3. Teach children water familiarisation and swimming skills
4. Learn CPR and remember that any attempt is better than none at all

Recent research reveals that across all ages, people of culturally and linguistically diverse backgrounds and newly arrived to Australia are at higher risk of drowning incidents. This is likely to be due to lack of familiarity with water activity and swimming ability in some people.

The 'Kids Can Drown without a Sound!' **resources** are available for download in 17 different languages from the Kids Health website: <http://kidshealth.org.au/inflatable-and-portable-pools> or printed copies for order free of charge from: <http://kidshealth.org.au/resources-order>

Mrs Painter is now taking enquiries for violin lessons at school in 2018.

If you are interested in finding out more, please speak to Mr Earl or contact Mrs Painter directly to enquire about availability. Mrs Painter is at school on Monday and Tuesday mornings this term and would be happy to meet you and discuss in person.

School students

Tap into

The smarter way for students to travel to and from school.

Visit transport.nsw.gov.au/school-students

Introducing the School Opal card

The School Opal card gives eligible students free or discounted travel between home and school using the train, bus, ferry and light rail services you nominate in your application.

Who can apply?

To be eligible for a School Opal card, students may need to live a minimum distance from their school:

- Years K-2 (Infants)**
There's no minimum distance.
- Years 3-6 (Primary)**
1.6km straight line distance or 2.3km walking.
- Years 7-12 (Secondary)**
2.0km straight line distance or 2.9km walking.

Who needs to apply

A new application is only required if the student has not had a School Opal card before. Parents whose children already have a School Opal card and are changing schools or campuses will need to update their Opal card for the new school year before mid-December at apps.transport.nsw.gov.au/ssts.

How to apply

Applications for 2017 open at the start of Term 4, 2016.

Step 1
Once the new school has confirmed the student's enrolment, complete the application at transport.nsw.info/school-students

Step 2
Print, sign and date the completed application then submit it to the student's new school for endorsement.

Step 3
The school then sends the endorsed application to Transport for NSW. Once approved, the School Opal card will be sent to the address provided on the application.

If you live too close to be eligible for free travel, you may still qualify for a School Term Bus Pass, which offers travel on buses between home and school at a discounted rate for the whole school term.

A parent or guardian must apply for students 15 years and under. Students 16 years and over must apply for themselves.

we need your help!

Donations of **SOCKS AND UNDIES** needed!!

All donations of both new or good condition pre-loved kids socks and undies in assorted sizes would be greatly appreciated. All donations can be given at the school office.

Thank You

WHO: Students in Years 5 - 12

WHEN: Tuesday 6 February - Tuesday 10 April 2018, 4 - 5pm

TICKETS: \$80 per person for 10 week term

INTRODUCING LORINDA...

We're pleased to introduce Lorinda as a new member of the Penrith Library's Children's Team. Lorinda comes with buckets of experience in education, community arts and storytelling and is excited to share her skills at the Library. Lorinda loves children's stories, art, illustrations and folk tales from around the world. She believes a good story is always worth sharing with a friend and telling stories is one of her favourite things to do.

A fond memory of little Lorinda was of her Nanna reading Heidi aloud by her bedside. This memory was etched in Lorinda's mind and now, as a storyteller herself she gets to read stories aloud as part of her job, a factor that is crucial in a child's early literacy training. Come share a story at the library with her soon.
