Principal's Report

Dear Parents and Caregivers,

Staffing changes

Over recent years our school has had some teaching positions filled by teachers as temporary appointments. They are on a contract for up to one school year. Under Department of Education staffing guidelines these positions can only be filled for a period of up to one school year at a time. Last year, these positions were filled through an Expression of Interest process to those staff who regularly worked in our school. This year the process was repeated with a wider range of applicants from across the state and interstate. We had many applications, and through a rigorous selection process new staff have been chosen to work at our school.

This means that Miss Kidd and Miss Paull will be leaving Faulconbridge PS at the end of 2018. I would like to thank them both for their contribution to our school over the last couple of years. Both teachers are well loved by the students and the community, and I know they will be missed. I'm sure you will join me in wishing them well for 2019 and beyond.

It is unfortunate at times that protocols for announcing changes are not followed. This does not allow for procedural fairness in these matters to occur. I have been made aware of social media posts that have publicly announced these changes before the school community could be informed through our formal communication streams of the newsletter and the school website. I am disappointed that this has occurred as important announcements will always be made through our school newsletter and website to the whole school community.

Community Consultation

Thank you to all those who attended the community consultation meeting last Monday night. I would like to thank all those who attended for their high level of engagement in issues which affect our school.

One of the topics covered was that of Ethics classes at Faulconbridge. Currently due to a lack of trained teachers we are placing Ethics classes on hold for Semester 1. This will allow volunteers to complete the training and all the administrative procedures involved. This decision may be reviewed if we have enough trained volunteers to meet the demand for classes. Thank you to Abbey Howells, our current Ethics Coordinator for attending the meeting to share her knowledge with the community.

Another topic that was discussed is the issue of pedestrian safety and parking near our school. We are very much aware that parking options are limited. We are currently in conversation with Blue Mountains City Council about options to alleviate the situation. There is a website link included. Our local Police officers have also been involved in raising awareness of safety concerns when parking or stopping in no stopping areas. Of particular concern is stopping on the crossing to allow children to get out of the car. Parking on footpaths or grass verges also places our students at risk if they need to move onto the road to get past parked cars. While I understand that the parking options close to the school are limited, it is safer to park and walk a little further. Ultimately the safety of all our students is paramount. Please take note of the signage and follow the road rules.

Year 6 Farewell

Our wonderful Year 6 students gathered together with staff on Tuesday night at Springwood Golf Club to celebrate the end of their primary school years. What an amazing group of young people with so much potential for the future. I love their energy and enthusiasm for everything they do, especially their dancing. Thank you to Mr Earl and the Stage 3 teachers for taking such good care of these students throughout the year. There were many comments last night about how much change and maturity we have seen in all the students this year. Thank you also to the team of staff and parents who planned the event at Springwood Country Club, and to the staff at the club who made the evening flow smoothly. The decorations were amazing, and the cupcakes were delicious.

Moving to high school is a significant moment for any child and their family. It can be a time of mixed emotions for families too. For some families it is the first child to enter the world of high school, and for more than half the families of this grade it is their last child leaving primary school, and the cutting of ties to Faulconbridge PS. We would like to thank those families for their years of diligent support of the many events and opportunities including choir, band, dance groups, walkathons, camps, book week parades, concerts, musicals and sporting events. These are the special memories that the students will take with them from our school into their future learning.

Principal's Report Continued...

Springwood High School Parent Maths workshop

On Thursday night Mrs Jansons, Mrs Carter, Mrs Harrison and myself worked with Springwood HS staff to present a parent maths workshop for Stage 3 and Stage 4 (Years 5-8) students. This initiative is part of our community team planning to build stronger links with Springwood High School. It helps us to build our focus on learning and the continuity of learning that happens from Stage 3 to Stage 4. The workshop was very "hands on" with lots of opportunities for parents to try the strategies we teach to build understanding of mathematics concepts. We hope to be able to offer further opportunities in 2019.

Prefect Selection

On Monday our Year 5 nominees for school leadership presented their speeches to the rest of the school. I was very impressed by the high calibre of their presentations. They all spoke with calm and poise, and with little evidence of the nerves I know they were all feeling. Everyone has commented to me on the high standard set by these students. Regardless of the outcome this team of students will be fantastic to work with next year. Following the speeches, students returned to their classes to vote. Votes have been tallied and our school leaders for 2019 will be announced at the Celebration of Student Achievement next Wednesday 12th December.

This is an important moment for these students and it is character building. There were 21 nominees, and only 8 will be in the leadership team. I have reminded them all that this process is about their peers selecting the leaders. It is not about friendships and it is not about popularity. I would like to thank those parents of the nominees who have let the students undertake this process without interfering. It can be a fine line between supporting your child through challenges and interfering in a school process that has been reviewed to ensure equity and fairness to all participants. I have heard of other schools where students and parents actively campaign for votes. Thankfully, our processes allow all students the opportunity to participate with the same level of support provided to each nominee.

Parent Helper Morning Tea

We would like to thank all the volunteers who have assisted in our school and classrooms in 2018. The staff will be providing a morning tea in the library on Friday 14th December at 11am to say "thank you" for your ongoing support of our school.

Please join us if you can.

LIBRARY NEWS

On Friday 14th December, Mrs McKay will be hosting a Freebie Friday!

The fiction section of our library has had a clean out and we are giving away books that are excess to our requirements, to make way for some new and exciting titles!

Starting at the 8:30 bell, children will be able to come and choose a book from our culled selection.

BE QUICK! BOOKS ARE LIMITED!!!!

See you at the library!

the Book Circle

(a story starter)

When you step into the Circle of Books you should start to levitate. However, I was thrown into the ever-lasting blue sky and landed onto a tree. It was a very nice tree. It almost looked like a house. The branches had blankets of leaves hanging off them, almost like blinds in front of windows. Underneath me was a bed covered with the most sweetly smelling leaves and flowers. It was delightful. I stood up and looked around me. It was such a cool sight that I decided to tell my mother about it.

The next day I went back into the Circle of Books and flew onto the tree again. Thankfully it was a much softer landing this time. My mother told me that I could make it my home if I wanted to. So I made it more homely.....my home.

Share our Space

Schools are the heart of our communities and offer a range of quality recreational and play facilities.

Over the coming school holidays, the NSW Department of Education is rolling out a Program at 184 schools across the state, which will open up the playgrounds, ovals and sports fields for the whole community to enjoy.

Faulconbridge Public School will be participating in the program during these school holidays. Local members of the community will have access to our school oval via the Meeks Crescent gate.

The gates will be open between:

School Holidays	Dates	Time
Summer	24 Dec 2018 - 25 Jan 2019	8am - 6pm

A security guard will be in place to monitor safety and security, and gates will be locked at closing time each evening. As always, if you need to report a security issue at the school, you can call security 24 hours on 1300 880 021. For more information on this program, please visit schoolinfrastructure.nsw.gov.au or contact us on 1300 482 651.

KIDS CAN ACT

WORKSHOP DESCRIPTIONS

THE MAGIC GLASSES (4-14yrs)

Where did these come from? What happens when you look through the "magic glasses"? What do you see? What powers do you gain? Where do they take you? Let your imagination go crazy! Try the Magic Glasses and see what adventures they take you on.

MIME IT! (4-14yrs)

Students will learn how to hit the "mute button" and focus on actions rather than sound to portray their story. Actions speak louder than words.

THE DAY THE TOYS CAME TO LIFE (4-12yrs)

Is it a dream? Is this really happening? One magical night the toys come to life and have their own ideas how life should be run. Come join us for this magical adventure.

DRAMA FUN 101 (4-12yrs)

Have a great time trying out some fabulous group and individual drama techniques and games. Learn while having fun.

WHERE ON EARTH ARE WE? 1,2,3 LET'S MAKE A MOVIE (5-14yrs)

We were just going on an adventure. How could this happen? What went wrong? Start at the end and then work out how it all happened. Together we will work out the journey and how we got here! Students will work on character development, story structure and how to work as a team. Now make the movie!

THE CAKE SHOP 1,2,3 LET'S MAKE A MOVIE (5-14yrs)

Have you been down to the cake shop lately? There's something weird going on. The cakes are amazing, but people are different afterwards. What is the baker's special ingredient and what affect is this food is having on the town? Create your own town of people, learn storytelling & characterisation. Now make the movie!

PUPPETRY (5-12yrs)

Children are naturally curious and communicate more easily with a puppet on their hand, giving them confidence to express their ideas and feelings. The children will have great fun as they learn how to manipulate and try different types of puppets.

THE SECRET DOOR (6-14yrs)

After moving into a new house, you discover a secret room, filled with all kinds of weird things. You see another door - when you open it there's a long tunnel, leading into darkness. Grab a torch and start walking... Where does it lead? What adventures will you go on? Who or what will you meet along the way?

STORYTELLING MAGIC (6-14yrs)

Stories inform us, delight us, make us laugh, cry and entertain us. Come learn how to tell and share a great story and listen to others.
