Relieving Principal's Report

Hello Faulconbridge Families,

On the eve of our Golden Bear assembly, it has given me time to reflect on the amazing things that our students have already achieved here at school this year. Everyday I am blown away by the persistence and dedication of your children towards their learning. You should be very proud.

It was a great event last Friday to see families coming together for Movie Night. It was a great night and the kids had a blast! Looking forward to years 3-6 tonight. Years 3-6 have also been involved in our Athletics program at school, preparing them for a big Athletics Carnival next term. Keep up the great work.

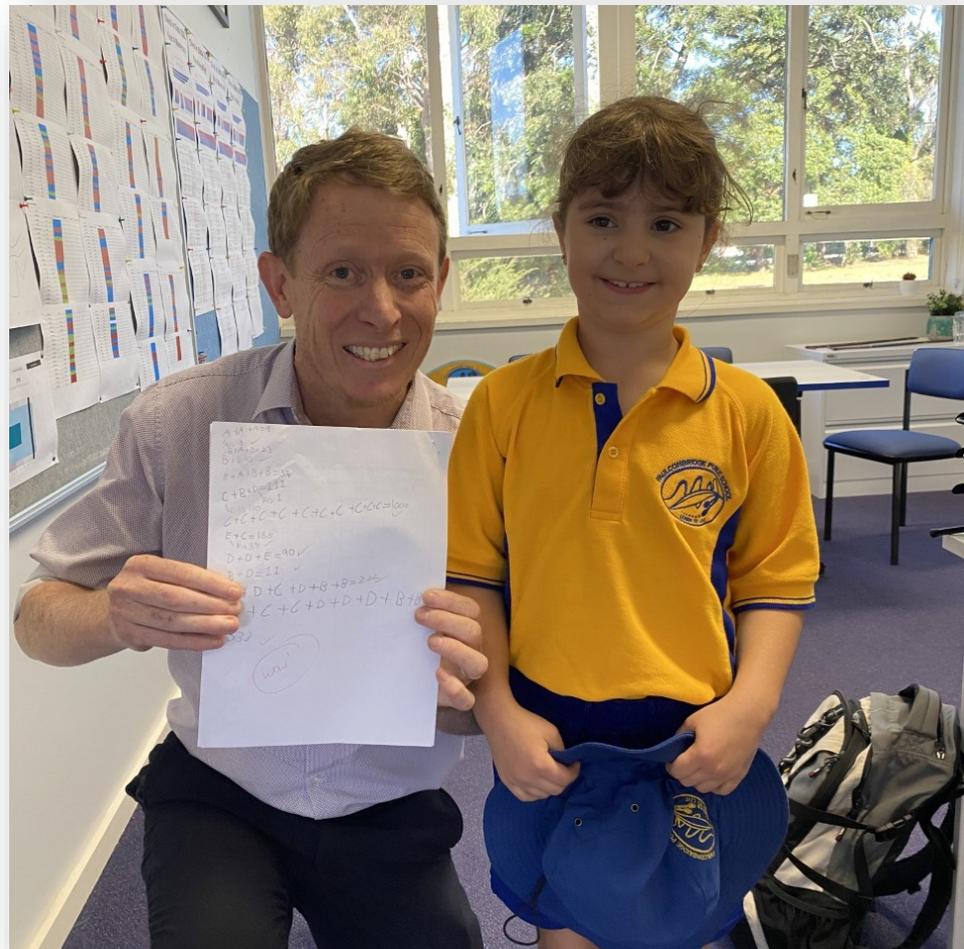

It was great to see the positive vibe from both teachers and Year 6 students at our first Year 6 Cup event; dodgeball! Although the teachers were too strong on the day, we all had a laugh and it was an awesome event looked on by the rest of the school.

Don't forget, we are now taking enrolments for next year, so if you have little ones looking to join the amazing Faulconbridge students cohort, you can enrol online.

Today I share amazing student work with you. This is young Olive showing off her sensational Mathematical brain with her own work with Algebra. Blew me away! Year 2!

Warm regards,

Chris Pyne
Rel. Principal

Thinking Mathematically in K1L

K1L have been thinking carefully about numbers and how they relate to a real quantity.

We have put our thinking caps on tightly and have thought about so many ways to show our understanding of numbers to 10 using creative pictures and number sentences.

Mrs Laws picked a number and K1L had to come up with as many ways as they can to show that number (and no teacher help...!)

Check out the interesting ways we came up with!

Introducing the Sentral for Parents App

Faulconbridge Public School are now using the Sentral for Parents App to communicate with parents about everything that is happening at school from May.

You will then receive notifications to your phone from Faulconbridge Public School related directly to your child/ren.

The Sentral for Parents app will allow families to:

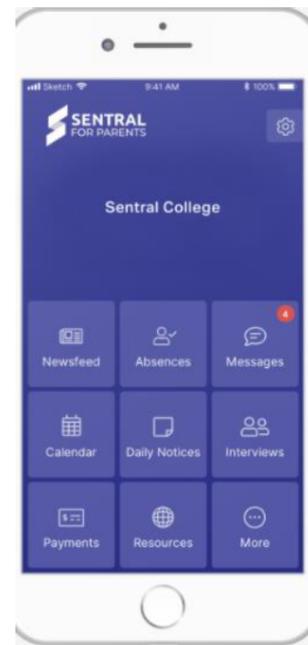

- view academic reports
- explain past absences
- request future absences
- view calendar events
- book parent/teacher interviews
- view school newsletters
- as well as receive real-time notifications and messages from the school

Accessing the Sentral for Parent App is simple.

Download it from the App Store or Google Play

Once you have downloaded the app simply register, verify your email address, login and connect to your child.

Experience the new Sentral for Parents App

We've listened, and reinvented.

Our new school engagement app has been developed to help you stay connected and informed about your child's education.

P&C NEWSLETTER | TERM 2, WEEK 5

P&C ASSOCIATION

It has been a busy start to the term. Congratulations to all of the students who represented our school at the Zone Cross Country carnival. You all did a phenomenal job.

Thank you to all of the families who joined us at our first movie night last Friday. It was a wonderful evening and a great way to ease into the weekend. Thank you to all of the volunteers that made this event possible. We look forward to seeing more families this Friday to watch 'Sneakerella'.

The Green Team

The Green Team is up and running again! We are always looking for students who would like to help with sustainability projects to come along to Green Team meetings every 2nd Wednesday at recess.

Mrs. Laws will remind everyone about meeting times during weekly Big Top announcements.

Thank you to students who handed in their Easter egg wrappers. Keep a lookout for a foil creature that will appear soon!

We will need helpers in the garden at our upcoming working bee in June. The Green Team will be instrumental in weeding, redesigning the garden alongside Mrs. Healy and helping plan our bush tucker garden. Keep your eyes out for more information coming soon.

As many of you may already know, a family within our community has recently experienced the loss of a parent.

We know there are many members within our community who wish to show support to the family in some way. As an option, Mr Pyne would like to extend an invitation to the community to send their support in the form of gift cards for the family. Everyone who would like to send their support in this way can do so by dropping any cards to the school office in an envelope addressed to "family who experienced a loss".

UPCOMING EVENTS

Nutrition Snippet

PEAR AND YOGHURT CAKE

Ingredients

- 1 egg
- 125gm margarine
- ½ cup raw sugar
- ¾ cup natural Greek yoghurt
- 1 tbsp vanilla essence
- ½ cup reduced-fat milk
- 1 cup self-raising flour
- ½ cup wholemeal self-raising flour
- ½ cup desiccated coconut
- 1 400g tin pear slices in natural juice, drained

Method

Preheat the oven to 180°C. Grease and line a 20cm x 20cm square baking tin.

Place the first six ingredients into the bowl of a food processor, blender or stand mixer and mix until combined. Add the flours and coconut and mix until just combined. Dice half of the pear slices, add to the batter and mix through.

Spoon into the baking tin. Arrange the remaining pear slices on top to decorate. Bake for 25 minutes until golden and cake bounces back when touched. Allow to cool and then slice.
