School Magazine Subscription

Dear Parents and/or Carers,

This year we are asking all 2/3C, Stage 2 and Stage 3 students to subscribe to The School Magazine. The magazines will be used daily as part of class literacy lessons.

Magazine Title	Age Range in Years	Description
Countdown	7-9	Countdown is a literary treasure trove that inspires and captivates newly independent readers.
Blast Off	9-10	Blast Off excites and delights inquisitive and independent readers, consolidating their knowledge of English.
Orbit 10-11	10-11	Orbit captures the imagination of skilled readers through crafted texts and engaging illustrations.
Touchdown	11+	Touchdown delivers a rich array of texts, allowing capable readers to explore the exciting world of literature.

The magazines offer very good value at \$10 for a school year subscription. Students will receive a new magazine each month of the school year which will be used in the classroom. Once the units have been completed, students may take the magazines home.
